Sign 16 — Cabins / Green Line Directions

S

ign type: Directional board sign
← TO CABINS
GREEN LINE →
Location: Trail junction shown in the reference photograph.
Purpose: Direct riders left toward the cabins and right along Green Line.
Reference photo: IMG_3947.jpeg.
Status: Needed

Sign 17 — Allen's Way (83)

Sign type: Street-style trail sign

Sign text: ALLEN'S WAY (83)
Difficulty: Moderate Hard (as specified)
Location: Junction shown in IMG_3949.jpeg.
Status: Needed

Sign 18 — Fatty's Crack / Green Line Directions

S

ign type: Directional board sign
TO FATTY'S CRACK →
← GREEN LINE
Location: Same junction as Sign 17, shown in IMG_3949.jpeg.
Status: Needed

Trail Maintenance 01 — Close Confusing Polaris Blue Trail Connector

Action: Rope off the connector shown in the photograph.
Reason: It leads to the Polaris blue trail and makes the Green Line route confusing to follow.
Recommendation: Rope off this access and allow the unused path to grow over naturally, reducing mistaken turns.
Reference photo: IMG_3950.jpeg.

Status: Proposed — needs implementation.

Sign 20 — Green Line / One Shot, Sunshine

Sign type: Directional board sign

→ ONE SHOT (144), SUNSHINE (145) — RED/PURPLE
← GREEN LINE
Location: Junction shown in photograph.
Reference photo: IMG_3954.jpeg
Status: Needed

Sign 21 — Easy Peasy / Green Line Intersection

Sign type: Street-style directional sign

EASY PEASY (Hard)
GREEN LINE
Location: Junction shown in photograph.
Reference photo: IMG_3955.jpeg
Status: Needed

Sign 22 — To Fatty's Crack / Green Line

Sign type: Directional board sign
TO COMMANDMENTS / FATTY'S CRACK (HARD) → (Right)
← GREEN LINE (Left)
Location: Junction shown in photograph.
Reference photo: IMG_3956.jpeg — UNCONFIRMED; verify that this is the correct location photograph.
Status: Needed

Sign 23 — Ed's Ledge (120)

Sign type: Street-style trail sign

Sign text: ED'S LEDGE (120)
Difficulty: Moderate
Location: Junction shown in photograph.
Reference photo: IMG_3957.jpeg
Status: Needed
